

Job Title: Shopify Developer

Job Summary:

We are seeking a highly skilled **Shopify Developer** to join our team. The ideal candidate will have hands-on experience in developing and customizing Shopify stores, creating user-friendly interfaces, and optimizing website performance. If you're passionate about e-commerce and have a strong technical background in Shopify, we'd love to hear from you!

Key Responsibilities :

- Develop, customize, and maintain Shopify stores, including themes and apps.
- Collaborate with the design and project teams to translate mockups and wireframes into functional Shopify stores.
- Write clean, modular, and well-documented code in Liquid, HTML, CSS, and JavaScript.
- Integrate third-party APIs and Shopify apps to enhance functionality.
- Troubleshoot and resolve technical issues or bugs in existing Shopify stores.
- Optimize website performance for speed and scalability across devices.
- Implement custom Shopify functionality using Shopify Plus and the Shopify ecosystem.
- Keep up-to-date with Shopify updates, trends, and new features.

Required Skills and Qualifications :

- Preferably IT background / Computer Engineering
- 1 - 6years of proven experience as a Shopify Developer.
- Strong knowledge of Shopify platform, including Shopify APIs and Liquid programming language.
- Proficiency in HTML, CSS, JavaScript, and jQuery.
- Experience with Shopify theme customization and development.
- Knowledge of cross-browser compatibility and responsive web design.
- Familiarity with SEO principles and best practices.
- **Tools:** Experience with Shopify Plus, Git version control, and other development tools.
- Strong debugging, problem-solving, and optimization skills. Knowledge of integrating payment gateways, third-party apps, and APIs.
- Experience in developing custom Shopify apps is a plus.
- Familiarity with Agile/Scrum development methodologies.
- Basic understanding of UI/UX design principles.
- Experience with checkout extension for shopify plus would be great

Work Location: Surat And AHM (Onsite only)
